Data Protection Act – Information Uses

For the purposes of the Data Protection Act 1998, the Data Controllers in relation to any personal data You supply is Aviva Insurance Limited.

Insurance Administration

Information You or the Insured Person supplied may be used for the purposes of insurance administration by Us, its associated companies and agents, by reinsurers and Your intermediary. It may be disclosed to regulatory bodies for the purposes of monitoring and/or enforcing of Our compliance with any regulatory rules/codes. Your and the Insured Person(s) information may also be used for offering renewal, research and statistical purposes and crime prevention. It may be transferred to any country, including countries outside the European Economic Area for any of these purposes and for systems administration. In assessing any claims made, We or Our agents may undertake checks against publicly available information (such as electoral roll, county court judgements, bankruptcy orders or repossessions). Information may also be shared with other insurers either directly or via those acting for Us (such as loss adjusters or investigators). With limited exceptions, and on payment of the appropriate fee, You or the Insured Person have the right to access and if necessary rectify information held.

Sensitive Data

In order to assess the terms of the insurance contract or administer claims that arise, We may need to collect data that the Data Protection Act defines as sensitive (such as medical history or criminal convictions). By proceeding with this application You will signify Your consent to such information being processed by Us or its agents. You must also ensure that You make this fact known to the Insured Person(s) and obtain their consent to pass this information to Us for these purposes.

Fraud Prevention and Detection

In order to prevent and detect fraud We may at any time:

- Share information about You or the Insured Person(s) with other organisations and public bodies including the Police;
- Check and/or file Your or the Insured Person(s) details with fraud prevention agencies and databases, and if You or the Insured Person give Us false or inaccurate information and We suspect fraud, We will record this. We and other organisations may also search these agencies and databases to:

- Undertake credit searches and additional fraud searches.

We can supply on request further details of the databases We access or contribute to.

The Contract of Insurance

Your policy wording, the information the Insured Person or You have provided and/or the application form, the statement of fact, the policy Schedule, or notice issued by Us at renewal and any endorsement together form the contract of insurance between Us and You, and must be read together.

In return for the Insured Person or You having paid or agreed to pay the premium, We will provide the cover set out in this policy, to the extent of and subject to the terms contained in or endorsed on this policy.

Important

This policy is a legal contract. You must tell Us about any material circumstances which affect Your insurance and which have occurred either since the policy started or since the last renewal date.

A circumstance is material if it would influence Our judgement in determining whether to provide the cover and, if so, on what terms. If You are not sure whether a circumstance is material ask Your insurance adviser. If You fail to tell Us it could affect the extent of cover provided to the Insured Person(s) under the policy.

You should keep a written record (including copies of letters) of any information You give Us or Your insurance adviser when You renew this policy.

Breach of Term

We agree that where there has been a breach of any term (express or implied) which would otherwise result in Us automatically being discharged from any liability, then such a breach shall result in any liability We might have under this policy being suspended. Such a suspension will apply only from the date and time at which the breach occurred and up until the date and time at which the breach is remedied. This means that We will have no liability in respect of any loss occurring, or attributable to something happening, during the period of suspension.

Terms not relevant to the actual loss

Where there has been non-compliance with any term (express or implied) of this policy, other than a term that defines the risk as a whole, and compliance with such term would tend to reduce the risk of:

- loss of a particular kind, and/or
- loss at a particular location, and/or
- loss at a particular time,

then We agree that We may not rely on the non-compliance to exclude, limit or discharge Our liability under this policy if You show that non-compliance with the term could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.
